Start of the 1st phase Departure hall extension

*Crystal News
Bulletin*

Monday 14 January 2019 the Contractor BonNed NV will start with the 1st phase of the Departure Hall extension. First the construction fences in front of the Terminal as well as the Airside will be raised. Total construction duration for the construction fences is 18 days. Safety and communication signs for the public and passengers will be posted on clearly visible locations on the fence.

Management recommend all airport users to follow the indications on the signs and instructions by our Terminal Safety Officers (TSO) and Duty Operations Officers (DOO).

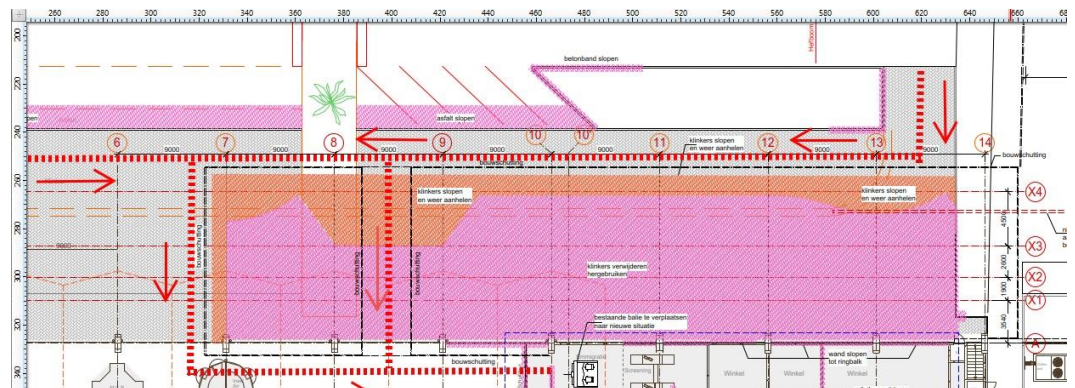

Once more Management would like to apologize for the inconvenience this construction works may cause for your operation and would like to thank you for your patience and cooperation.

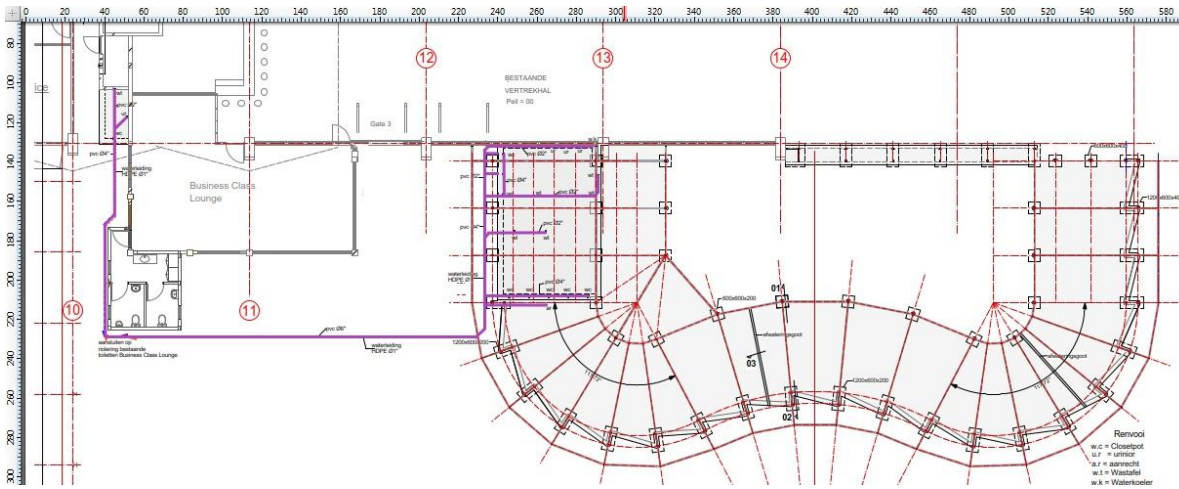

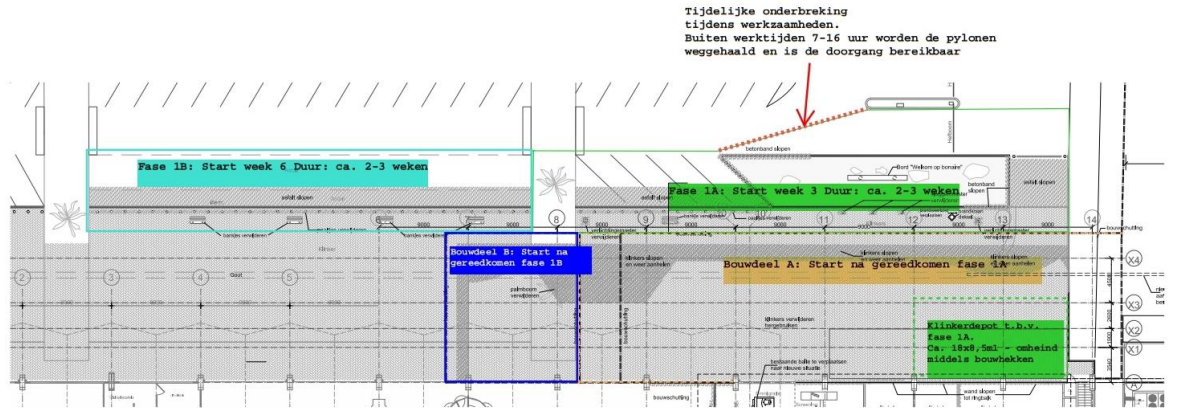

Communication

Management will issue during the course of the construction works more bulletins in order to keep you informed on the progress ahead of time.

These bulletins are being issued by the BIA Project Team. The BIA Project Team would appreciate your feedback in order to improve communication to you. Your feedback is appreciated and can be sent to Mrs. Yandra Faulborn Assistant Secretary to the CEO email: yandra.faulborn@flamingoairport.com or phone: +599-7175600 ext. 260.
